Wrightwood Neighbors Association Business Directory

9/12/2011

Dear Neighbors,

I hope you enjoy this Directory of all the businesses in the Wrightwood boundaries, and a few beyond! All of those that are members of Wrightwood Neighbors are listed in a **bold font** and are a little larger.

Some of the listings have descriptions. I invited every business to share some information about themselves in the directory. If they responded, there is a description. I'm hoping you will find this a useful reminder of all the wonderful businesses we have in Wrightwood.

I encourage you to utilize your local businesses whenever you can; your patronage helps them stay in business!

I also encourage and welcome your feedback and ideas about creating more of a neighbor to business relationship.

Whether it's a special shopping night or event once in a while to networking events or even an occasional pub crawl, we want your input!

Thank you and please don't hesitate to get in touch with your thoughts and suggestions!

A reminder that WNA is an all volunteer board, we have lots of great ideas for the neighborhood, but we could use your help. Please get involved and volunteer to help for a couple of hours on a committee! Parks, Schools, Membership, Business....There's something for everyone, so get involved!

Sincerely,
Leslie Oppenheimer

The team behind Hubbard Inn and English, along with Executive Chef Bob Zrenner & Pit Master Gary Wiviott, unveil Barn & Company, a smokehouse and public hall.

The menu at Barn and Company is a combination of hickory smoke barbeque, taking the traditional messy glory of Memphis, Kansas City and Texas-style barbeque and turning it into a full-blown BBQ fest. Barn & Company is focused on brisket, baby back ribs, pulled pork and free range smoked chicken.

Barn & Company is serious about combining two American passions, BBQ and Football, so a small fortune was spent on visual technology to offer patrons a feast for their eyes.

Considered the oldest family name in Chicago pizza, Lou Malnati's is home of the world's best deep dish pizza. Every Lou Malnati's pizza is handmade from scratch using the finest and freshest ingredients. Every year the Malnati team hand selects California vine-ripened tomatoes for the perfect sweet and tangy taste. The exclusive sausage blend is seasoned to their exact specifications. The fresh mozzarella cheese comes from the same small dairy that has supplied Lou Malnati's for over 37 years. And the family's secret recipe for flaky, buttery crust has been passed down from generation to generation. You'll know with every bite that each pizza was made with care and special attention.
