# The Taste of Lincoln Avenue

is Wrightwood Neighbors annual fundraiser. The Taste began in 1984, as a way to help fund the Wrightwood Neighbors Association, and to provide financial support for our local schools and organizations through grants. It began with crowds of 10,000 attendees, and has now grown to more than 50,000 visitors for the two-day event. Over the past 2 decades Wrightwood Neighbors has granted back more than \$1,000,000 to the community with funds raised from the Taste of Lincoln!

In a city of street fests, one would be hard-pressed to find one more iconic than Taste of Lincoln Avenue.

It's legendary for many reasons. Celebrating its 36th year in 2019, it's easily one of the city's oldest summer happenings. Another is its sheer size. The fest sprawls over several city blocks in the heart of the vibrant Lincoln Park/DePaul neighborhood.

And like a fine wine it has aged well (and expanded) over the years. It offers lots of fun things beyond its 100 food, arts/crafts and other vendors. These include:

Two stages of great music featuring both national and regional acts. For families there's the wildly popular (and free entry) "Kids' Carnival" area open each afternoon that features entertainment, art activities, pony rides, kiddie rides and more. For adults there's the popular Wine and Whiskey Tastings. Ticketed tasting sessions are held several times over the weekend.

In addition, for both kids and adults with a sweet tooth a more recent fest addition is a fun stand-alone "Chocolate Fest" area with tastings and sales.

The bottomline?

When it comes enjoying summer in the Windy City, Taste of Lincoln Avenue should be at the top of everyone's list!

The Taste of Lincoln Avenue - July 27th and July 28th

## Lincoln Park Wine Festival

began in 2015, and is WNA's second major fundraiser. The event takes place in Jonquil park annually at the end of May. Unlike the Taste of Lincoln, Our Wine Fest is a ticketed tasting event. Proceeds from this event go directly to funding programming in Jonquil park, namely movies in the park and various park maintenance, and a portion of each year's proceeds is invested to build up for large scale once in a generation capital improvements to Jonquil Park.

Lincoln Park Wine Festival - May 17th-19th, 2019

After Chicago's brutally cold winter, spring's warm breezes will be a welcome relief when the glorious grape, along with smooth tunes, artisans and tasty edibles, set the stage for this 5th annual wine happening. Lincoln Park Wine Fest will again transform the tranquil two-acre Jonquil Park into an open-air market featuring wine and food pavilions.

The highlight is ticketed wine tastings where scores of varietals will be showcased.

Beyond samplings, wine connoisseurs will also appreciate hearing the expertise of brand ambassadors and sommeliers. And enhancing the fest will be a mellow live music lineup, food-wine pairings, artisans, and the products/services of wine-related vendors.
